

Autumn 2026 Home Learning activities - How many can you do?

<u>Mathematical</u>  Take photographs of all the numbers you can see when you go on a walk - put them on Tapestry so that we can share them with the children.	<u>Mathematical</u> Play this shape game https://www.topmarks.co.uk/early-years/shape-monsters	<u>Personal, social and emotional development</u> Play Thank You You You https://www.bbc.co.uk/cbeebies/watch/something-special-song-time-thank-you-you-you
<u>Communication language and literacy</u> Ask Mummy or Daddy to write the letters in your name. Trace or write over them. 	<u>Communication language and literacy</u> Listen to and learn some new rhymes https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-20-minute-medley/zn2792p	<u>Home Challenge for our little World Travellers</u> Learn your full name, house number, road name and town.
<u>Expressive arts and design</u> Using paint, make a handprint of everyone in your family - grade them from smallest to biggest. (No paint? Draw around them instead☺)	<u>Physical development</u>  Can you practise zipping up your coat? Once you can use a zip properly, you could practise using buttons!	<u>Personal, social and emotional development</u>  Find a picture of your child as a baby. Talk about how they have changed. Put it on Tapestry so that you child can talk about the changes.

Homework explanation

These are the homework activities for Tiggywinkles Pre-School.

Home activities are entirely optional although we would like you to try to do as many as possible but please just do any many as you wish. They are planned as fun activities that support the work we are doing with the children in the classroom.

Please take photos and add them to Tapestry so that we can share them with the children in class.

Thank you once again for your support and if you have any questions please feel free to ask!

Kind Regards

Miss Julie and the Tiggywinkles Team
